## **What Is WEFTEC?**

WEFTEC, the Water Environment Federation's Technical Exhibition and Conference, is the largest annual water quality event in the world.

WEFTEC is the largest conference of its kind in North America and offers water quality professionals from around the world with the best water quality education and training available today.

Also recognized as the largest annual water quality exhibition in the world, the expansive show floor provides unparalleled access to the most cutting-edge technologies in the field; serves as a forum for domestic and international business opportunities; and promotes invaluable peer-to-peer networking among registrants.

### What Makes WEFTEC a Leading Source in Water Quality?

A wide range of topics and focus areas allow registrants to design their own, unique learning experience while earning up to 16.5 Professional Development Hours (PDHs) for continuing education units and eight general Contacts Hours per day visiting the Exhibition. An increasing number of abstract submittals from experts in the water quality field results in a world-class technical program of technical sessions and workshops that addresses a diverse and comprehensive list of contemporary water and wastewater issues and solutions including:

- Collection Systems - Management, operations and maintenance, infrastructure, overflow reduction, wet weather planning, watershed approaches, and regulations
- Energy Conservation and Management - Resource recovery, combined heat and power, biogas optimization
- Membrane Technologies - Application in wastewater and water reuse, innovations, enhanced performance, regulatory compliance
- Plant Operations and Treatment - Innovations, technologies, processes, and proven solutions in water and wastewater treatment; including nutrient removal and odor control
- Regulations - CMOM/SSO Rules, TMDL/Watershed Rules, Nutrient Trading, and NPDES Phase II
- Research - Leading edge process applications in water and wastewater treatment and recent developments
- Residuals & Biosolids - Incineration, disposal, reuse through land application, research, regulations, politics, and public perception
- Stormwater - Treatment, green infrastructure, wet weather management, modeling
- Utility Management - Asset Management and financial planning for infrastructure, technology, regulatory compliance, and security; including environmental management systems (EMS)
- Water Reuse/Recycling - Research, regulations, emerging technologies, proven processes
- Water Quality & Watershed Management - Stormwater, wet weather, and watershed issues

Curtis Smalley, City of Waco, says, "Everyone in the industry needs to attend WEFTEC at least once, but then WEFTEC is like potato chips: You can't go just once!" Need we say more?

### Five Reasons to Attend WEFTEC

1. **Stay Competitive in and Relevant to Your Profession.** Attend the highest-quality, most comprehensive educational sessions available, featuring papers meticulously selected through a rigorous process that includes abstracts reviewed by an average of nine topic area experts.
2. **Discover the Newest Innovations and Solutions.** WEFTEC features the largest water quality exhibition in the world. With nearly 1,000 exhibiting companies, the expansive show floor provides unparalleled access to the most cutting-edge technologies in the field. WEFTEC exhibitors bring their very best technical experts and the latest equipment.
3. **Access Global Business Opportunities.** WEFTEC is your gateway to global water, wastewater, and resource recovery — and is the only water show selected to be a part of the U.S. Commercial Service International Buyer Program.
4. **Make Valuable Connections.** WEFTEC hosts more than 20,000 registrants from around the world and all sectors of water quality. Take advantage of opportunities to network with leaders in the field, as well as fellow registrants spanning all areas of the water quality sector. Additionally, more-focused events and sessions will help you connect with others seeking ideas and solutions in your topic area.
5. **Bring Value to Your Company.** WEFTEC is priced lower than any other water quality conference of its kind and features anything and everything today's water professional needs to hear, learn, see, and experience in one location, at one event.
